

Wescom's PointClickCare Named One of Canada's Fastest Growing Technology Companies in Deloitte Technology Fast 50

Mississauga, Ontario, September 21, 2006 – Wescom's PointClickCare has been named to Deloitte's prestigious Technology Fast 50, the annual program which recognizes excellence, innovation and the fastest growing tech companies in Canada. Rankings are based on percentage of growth in fiscal year revenues over five years, from 2001-2005.

Mike Wessinger, President and CEO credits the company's growth to the appeal of the PointClickCare on-demand software delivery model in the North American healthcare market. "I am pleased to announce, Wescom has been named on Deloitte's Technology Fast 50 listing, which represents Canada's fastest growing companies. We will also be automatically entered into Deloitte's North American Fast 500 to be announced later this year."

PointClickCare's increase in revenues of **800%** from 2001 to 2005 resulted in a #28 ranking overall in the Deloitte Technology Fast 50.

"Making Deloitte's technology Fast 50 is a testament to a company's vision that has resulted in substantial growth over 5 years. PointClickCare has the right stuff for growth, and Deloitte salutes their accomplishments." said John Ruffolo, National Leader, Technology, Media & Telecommunications, Deloitte.
