

## PointClickCare (Wescom Solutions Inc.) retains leadership status in Deloitte's Technology Fast 50

---

Mississauga, Ontario, September 20, 2007 – PointClickCare (Wescom Solutions Inc.) has once again been ranked among the Deloitte Technology Fast 50, a ranking of the 50 fastest growing technology companies in Canada, based on the percentage of revenue growth over five years. PointClickCare (Wescom Solutions Inc.) increase in revenues of **509%** from 2002 to 2006 resulted in a #36 ranking.

Mike Wessinger, President and CEO credits the company's growth to the appeal of the PointClickCare Software as a Service (SaaS) delivery model in the North American healthcare market. "This award continues to validate that the benefits of SaaS are as compelling in healthcare as they are in other industries. We are pleased to once again be recognized as leaders in this area."

"Canadian technology companies have some of the highest revenue growth in North America, while playing in some of the world's largest, most competitive and exciting market sectors," said John Ruffolo, National Leader, Technology, Media & Telecommunications, Deloitte. "Outstanding companies such as PointClickCare demonstrate the incredible business acumen and entrepreneurial spirit that fuel the Canadian technology industry."
