

## PointClickCare (Wescom Solutions Inc.) ranked in the Profit 100 as one of Canada's Fastest Growing Companies

---

**Mississauga, Ontario, June 5, 2007** – Wescom Solutions Inc., developers of PointClickCare, was named in the 19th Annual PROFIT 100, which profiles Canada's Fastest-Growing Companies, ranking them by five-year revenue growth.

Mike Wessinger, President and CEO, credits the organization's growth to the success of PointClickCare.com, the company's on-demand financial and electronic medical records software for Long Term Care facilities. Mr. Wessinger added, "I believe our 'no hassle' value proposition of the on-demand software delivery model has really struck a chord in an industry that is under-funded, has little to spend on IT yet is highly complex and strictly regulated. This award further validates that we are on the right path."

Ranking Canada's fastest-growing companies by five-year revenue growth, the PROFIT 100 profiles the country's most successful growth companies. Published in the June issue of PROFIT and online at PROFITguide.com, the PROFIT 100 is Canada's largest annual celebration of entrepreneurial achievement.

"PROFIT 100 companies are the new heroes of Canadian business, creating jobs at home and products used around the world," said Ian Portsmouth, editor, PROFIT Magazine. "They've accomplished this by building great employee teams, exploiting export markets and rapidly responding to the customer's fast-changing needs."
